Section I. Applicant Information (continued)

What is the primary organization type?

If "Other," please describe the type of organization. (500 characters max with spaces)

Please select the organization's primary affiliation:

If "Other," please describe affiliation. (500 characters max with spaces)

Section II. Background (2 Possible Points)

Describe the symbolic value of the site as a highly recognized national or historic institution or significant institution within the community that renders the site as a possible target of violent attacks or hate crimes due to ideology, beliefs, or mission.
(500 character max with spaces)

Describe any previous or existing role in responding to or recovering from violent attacks or hate crimes due to ideology, beliefs, or mission.
(500 character max with spaces)

Section III. Risk (12 Possible Points)

Risk is defined as the product of three principal variables: Threat, Vulnerability, and Consequences. In the space below, describe specific findings from previously conducted risk assessments, including A) Threats, B) Vulnerabilities, and C) Potential Consequences of an attack.

A) Threat: In considering threat, the applicant should discuss the identification and substantiation of specific threats or attacks against the nonprofit organization or closely related organization by a terrorist organization, network, or cell. The applicant should also discuss findings from risk assessments, police findings, and/or insurance claims specific to the location being applied for including dates and specific threats.
(2,200 character max with spaces)

B) Vulnerabilities: In considering vulnerabilities, the applicant should discuss the organization's susceptibility to destruction, incapacitation, or exploitation by a terrorist attack. These should be consistent with the Vulnerability/Security Assessment.
(2,200 character max with spaces)

C) Potential Consequences: In considering potential consequences, the applicant should discuss potential negative effects on the organization's assets, system, and/or network if damaged, destroyed, or disrupted by a terrorist attack.
(2200 character max with spaces)

Section IV. Target Hardening (14 Possible Points)

In this section, describe the proposed target hardening activity, including the total State funds requested, that addresses the identified threat or vulnerability. Allowable costs are focused on target hardening activities as well as planning-related costs, contracted security personnel, and security-related training courses and programs limited to the protection of critical infrastructure key resources, including physical and cyber-security, target hardening, and terrorism awareness/employee preparedness. Funding can also be used for the acquisition and installation of security equipment on real property (including buildings and improvements) owned or leased by the nonprofit organization, specifically in prevention of and/or in protection against the risk of a terrorist attack. (2,200 character max with spaces)

Target Hardening Equipment

In this section, list all target hardening equipment being proposed.

- Physical security enhancement equipment, including but not limited to reinforced doors and gates, and high-intensity lighting and alarms;
- Inspection and screening Systems, and access control;
- Any other security enhancement consistent with the purpose of the FL-NSGP.

Section IV. Target Hardening (continued)

In this section, select Yes or No regarding applicable non-equipment related activities the organization plans to expend with grant funds. Describe the activity and provide the cost estimate related to physical security enhancements of the organization.

Security Exercises: Funding may be used to conduct security-related exercises. Exercises afford organizations the opportunity to validate plans and procedures, evaluate capabilities, and assess progress toward meeting capability targets in a controlled, low risk setting.

Contracted Security Personnel: State the frequency/duration of guard service to be contracted. Limited to 50% of the total Funding Requested in Section I.

NOTE: In regards to changes to scope of work, due to the competitive process, changes to the scope of work may not be allowed without Division's prior written approval. Please ensure the projects being proposed are well planned, as any funds that remain at the end of the period of performance will be unencumbered.
