

# Hazard Mitigation Grant Program Application Development Workshops for Severe Weather & Floods [2009] FEMA-1831-DR-FL & FEMA-1840-DR-FL

The Florida Division of Emergency Management (DEM) will conduct Hazard Mitigation Grant Program (HMGP) Application Development Workshops (see schedule below). The purpose of these workshops is to provide eligible applicants with detailed information about the application process and to assist in the completion of a draft project application. DEM staff will be available to respond to project-specific questions and concerns. Topics to be covered include:

- Program eligibility requirements
- Eligible activities
- Application preparation
- Scope of work development
- Review of environmental issues and
- Submission of accurate data for the Benefit Cost Analysis.
