

MITIGATION GRANT FUNDING

Flood Mitigation Assistance Swift Current Grant Program 2023 Notice of Funding Opportunity

The FY 2023 Application Period is open for Flood Mitigation Assistance (FMA) Swift Current program, under the Federal Emergency Management Agency (FEMA). FEMA's Notice of Funding Opportunity (NOFO) is attached and can be found at www.grants.gov.

The Florida Division of Emergency Management (FDEM) will be participating in the FMA Swift Current grant program. All subapplications must be submitted to FDEM via the eGrants application system on or before March 15, 2024, at 5:00 p.m., Eastern Daylight Time (EDT). Only complete subapplications will be accepted and reviewed. More information about how to register in eGrants is attached. It is encouraged to register in eGrants as early as possible. Additional resources can be found on the [FDEM Website Swift Current Page](#), including minimum programmatic, engineering, and environmental and historic preservation (EHP) requirements for elevation, acquisition, and mitigation reconstruction projects.

**Subapplication Deadline:
March 15, 2024, 5:00 p.m. Eastern Daylight Time (EDT) in eGrants**

FMA Swift Current Objectives:

The purpose of FMA Swift Current is to reduce or eliminate the flood risk of repetitive flood damage to structures and buildings insured by the National Flood Insurance Program (NFIP) following a flood-related disaster event, and to enhance community flood resilience within NFIP-participating communities.

FMA Swift Current Priorities:

FMA Swift Current funds Individual Flood Mitigation Projects (Residential Mitigation) for the following:

- Repetitive Loss (RL)
- Severe Repetitive Loss (SRL)
- Properties deemed Substantially Damaged (after the applicant's disaster declaration date – August 31, 2023)

Definitions for these terms can be found in the NOFO in Section C (Eligibility Information), Subsection 4 (Cost Share and Match).

PLEASE NOTE: All property owners must contact their local government to apply. All property owners must have had an active NFIP Flood Insurance Policy in effect on or before December 15, 2023 to be eligible for this funding opportunity.
