DRIVE-THRU TESTING FOR COVID-19
AT A STATE-SUPPORTED SITE
Anyone over the age of 18 can be tested, regardless of symptoms

WHAT DO I NEED IN ORDER TO BE TESTED?

1. Government Issued ID – *This photo ID does not need to be a Florida Drivers License*
2. Health Insurance Card – *Everyone will be tested, regardless if they have insurance*
3. Healthcare facility or first responder ID or badge (If applicable)
4. Pen - It is required every individual bring their own pen to fill out test site forms

WHAT HAPPENS WHEN I ARRIVE AT THE TESTING SITE?

2. Each vehicle will be greeted and directed by personnel in protective gear.
3. Each individual will be asked to provide their government issued ID, first and last name, health insurance card and contact information

WHAT IS THE TESTING PROCESS?

3. A health professional in personal protective equipment will provide you with instructions.
4. A soft swab will be inserted into your nose or throat, depending on the testing location, to get the necessary sample. This may be slightly uncomfortable; however, the test is quick and should take less than a minute.

WHAT HAPPENS AFTER I AM TESTED?

4. After you have been tested, you will move to the final station.
5. You will be given information on what to do while awaiting test results. Please keep the instruction sheet until after you receive your results.
6. Follow signage and directions for exiting the testing site.
7. After being tested, continue to monitor and record symptoms. You will receive your test results via telephone call.

WHAT ELSE DO I NEED TO KNOW?

5. Be prepared for significant wait times. At some sites, you may wait more than 3 hours for a test - *Prepare by having a full tank of gas and making sure the vehicle has working AC*
6. Food is not provided at the testing sites. It is recommended individuals bring snacks and water.
7. There are no bathrooms at the testing sites. Each person who needs to be tested must be seated next to a working window.
8. All passengers must stay inside vehicles from arrival to departure.
9. Try to limit individuals in your vehicle to only those who need to be tested, no more than 5 in a vehicle.
