Mid-Week Coffee Break

January 28th, 2025

Welcome to the F-ROC Mid-Week Coffee Break!

“Thank you for this opportunity and process! We are very excited to see it being implemented throughout the State of Florida!” - F-ROC Participant

Key Dates

Date	Milestone
January 31, 2025	2025 Customized Abatement Plan Due
March 31, 2025	2025 Abatement Activities Due
June 1, 2025	2024/2025 F-ROC DRA Final Score

The New Year has begun, and recently many have experienced record-breaking snow throughout Florida... stay warm and continue efforts to prepare to recover.

Being **prepared to recover** is more important than ever. The 2024 hurricane season was notably active, living up to the prediction of a "supercharged season." Those who were **Prepared to Recover** were able to navigate storms like Hurricane Debby, Helene, and Milton effectively, swiftly clearing debris between storms as they approached one after another.

Wait, What's Fast Approaching?!

Your Customized Abatement Plan deadline is days away. Get your Customized Abatement Plan in before the **January 31** deadline!

Completing your abatement activities is your **last opportunity this year to increase your DRA score for the 2025/2026 storm season**. Remember, the sooner **Customized Abatement Plans are submitted**, the sooner you can begin to work on **Abatement activities**, helping prepare you for future events.

And that's all for this **week's Mid-Week Coffee Break!** As always, thank you for your continued partnership and your commitment to the future of Public Assistance and recovery for Florida!

If you have additional questions or F-ROC experiences you would like to share, please let us know by emailing us at: F-ROC@em.myflorida.com. We are available here at FDEM and happy to help you!
